Walk-behind Scrubber Dryer

Version No.: V2.0 202303

T70BT

*The image shown here is indicative only. If there is inconsistency
*Between the image and the actual product, the actual product shall govern

Super large cleaning width × Long running time

Cleaning width: 690mm, save cleaning time and improve work efficiency.
2 x 12V 100ah maintenance-free batteries with high capacity, up to 3.5h running time.

Super large capacity solution water tank and recovery water tank

Large 70/80L water tank with smooth interior for easy cleaning and preventing bacteria from it.

Digital control system for high efficiency

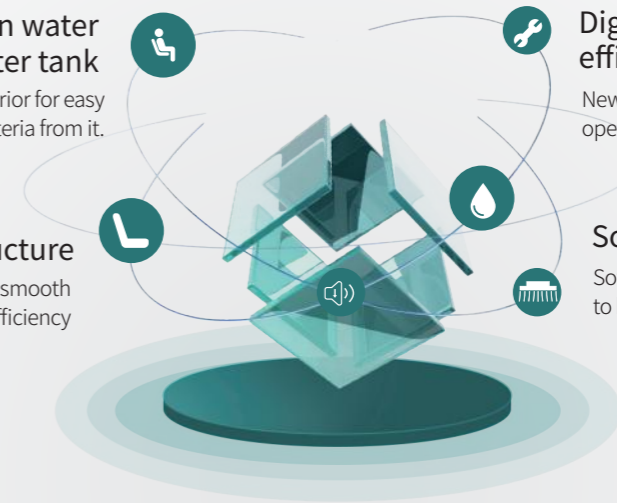

New digital control system with clear and simple operation which can extend battery and motor life

Double motor brush structure

Simple structure, easy to dismantle, smooth operation and high efficiency

Soft start design

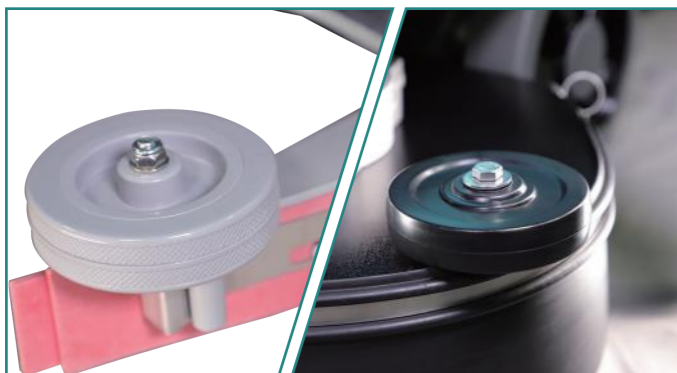

Soft start and automatic emergency stop design to keep operator safe

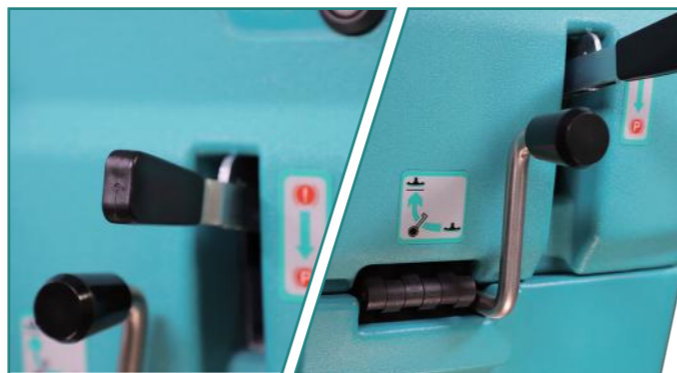

Minimalist design of the control panel

Side flip water tank + Buckles on both sides

The squeegee/brush cover adopts anti-collision design

Ergonomically designed control handles

Parameters

	T70BT
Working width	690mm
Squeegee width	860mm
Working speed	4.5Km/h
Efficiency	3100m ² /h
Brush pressure	40Kg
Brush RPM	180rpm
Brush motor	24V/400*2W
Drive motor	24V/120W
Suction motor	24V/390W
Solution tank	70L
Recovery tank	80L
Dimension	1385*720*1050mm
Battery	12V*2
Battery weight	33Kg*2
Equipment weight	116Kg

Application scenarios

Logistics centre

Campus

Factory plant

Supermarket

Hospital

Airport station
